

SUMMER 2024

BIBLE CAMP REVIEW

Every year we are thrilled to receive invitations to communities across Northern Canada. It is our delight to send teams of volunteers to lead children's camps. It is a joy to see God at work in the lives of these children, their families, and local leaders.

Deeply moved by the memory verses this year, one girl asked,

“Can I please take these Bible verses home?”

Another day, a local Mom came to our volunteers and said,

“I really want my daughter to learn more about God.”

She left with a new Bible in her hands.

IMAGINATIVE

FAITH-BUILDING

ACTION-PACKED

GIFT

Growing In Faith Together

This year's curriculum took children on a journey exploring the joyous wonder of Christmas, the marvelous miracles of Jesus, and the life-changing impact of His death and resurrection. Each camp was an experience the children will remember for years to come!

SURPRISED BY JESUS' POWER

The ocean can be a fierce and dangerous place, especially during a storm. Kids who live in coastal and lakeside communities know this all too well. Learning that Jesus was able to calm a storm on the sea was an eye-opener. Finding out He can also calm our inner storms was mind-blowing.

BIBLE CAMP IN A BAG

Once again we sent **hundreds of backpacks** to remote communities. Families grew in faith together learning the stories of Jesus in their own homes. Crafts, like those pictured here, are now on display in Northern homes, reminding everyone of Jesus' birth, life, death, and resurrection power!

YOUR SUPPORT TRANSFORMS LIVES

Growing faith in little hearts is a collaborative effort. Your volunteer, prayer and financial support make it possible. **You make a difference** in the lives of families across Northern Canada. Your support enables *On Eagle's Wings* to continue facilitating Bible Camps, and sending teams North.
