Northern Bible Camps

Children were thrilled to attend Bible Camps in Iqaluit, Behchoko, Artiban, Tuktoyaktuk and Mt. Joy.

Our season isn't finished yet! Please continue to pray for our final two Bible Camps in Fort Smith (NWT) & Arviat (NU).

Did You Know?

It is almost an indescribable amount of fun to throw shaving cream at a volunteer!

Sarah was a great sport, and happily "took one for the team" as kids lined up during a game time to take their best shot!

Thank you to our volunteers who quite literally go out of their way to share the Good News of God's love in remote Northern communities.

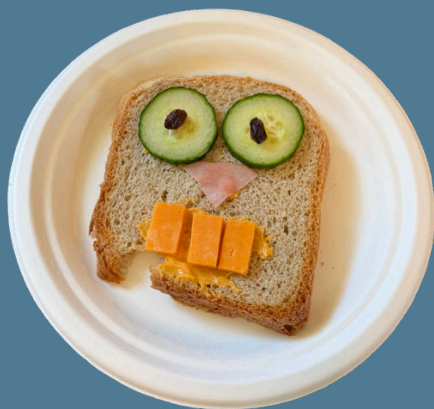

Food-themed games, crafts and activities were thoroughly enjoyed throughout **TASTE** camps this year.

Making crafts, then eating them generated lots of giggles and served to be a wonderful reminder to

TASTE and see
the Lord is GOOD!

Caring for the Wounded Heart

Throughout the year we continued to run **Healing Groups** in more communities, including Yellowknife, capital of the Northwest Territories. These groups have been life-changing for participants. Listen to some of their comments...

“*This was a real gift to me, and left me filled with joy.*”

“This was good for me. Taking time for my own self-care was really important.”

“This program helped me because I felt so down. Since coming here I feel a lot better. I want to say thank you for coming. Please come back. I think everyone should have an opportunity to take this program.”

”

I have grown to understand what pain is, and how to deal with it. I have opened up and voiced it - something I have never done before.

At the beginning of August 2025, we relocated to a new office space in South Edmonton.

Eagle-eyed readers may already have noticed our new address on the letterhead, newsletter title page, and return envelopes.

Canadian donors and Edmonton area volunteers are requested to note the new address below for future correspondence, visits, and donations. Our US office address remains the same.

Thank you

A special thanks goes out to Chirdon, David, Torben, Griffin, Joshua, Gabe, Cameron, Neil (not pictured) and Lauren (not pictured) for volunteering to load two cube vans, then spend another couple of hours unloading and setting up at our new office.

These folks selflessly cajoled cumbersome office furniture such as filing cabinets, desks, computer equipment, even a full-size copier from one side of Edmonton to the other.

We are incredibly grateful they chose to serve *On Eagle's Wings* in this way, saving us over \$10,000 in moving expenses!

Still to come in 2025

As we mail you this newsletter, a Bible Camp is currently underway in Fort Smith, NWT.

In early October our final camp of the year will take place in Arviat. We are excited to receive an invitation from central Nunavut. It will be our first time in the community!

We are delighted to continue receiving more requests for **Caring for the Wounded Heart**. Right now we are working with communities to squeeze in two more groups before the end of 2025.

You can make quick and easy donations towards our programming by scanning the QR Code right here. Or visit our website at <https://oneagleswings.ca/donate>

Thank you for your support!
